

proj_main_loop

```
graph LR; A[proj_main_loop] --> B[database_check_file_exists]
```

A flowchart with two rectangular boxes. The left box is white with a black border and contains the text 'proj_main_loop'. A blue arrow points from the right side of this box to the left side of a second box. The second box is gray with a black border and contains the text 'database_check_file_exists' on two lines.

database_check_file
_exists
