

proj_main_loop

```
graph LR; A[proj_main_loop] --> B[rtc_set_interrupt_periodic_processed]
```

A flow diagram consisting of two rectangular boxes connected by a blue arrow. The first box, on the left, is white with a black border and contains the text 'proj_main_loop'. A blue arrow points from the right side of this box to the left side of a second box. The second box, on the right, is gray with a black border and contains the text 'rtc_set_interrupt_periodic_processed'.
